

## Foundation SketchUp 8 Pro

### Overview

This course is designed for new users or users with very little experience of Sketchup Pro and who want to understand the features of Sketchup as quickly as possible.. However, although no previous CAD experience is necessary, any drafting, design, engineering or architectural experience would be an advantage. It is recommended that delegates have a little working knowledge of Microsoft Windows.

All training held at TutorCAD Offices are inclusive of comprehensive course manual, a variety of refreshments, buffet lunch and certificate.

### Duration

1-day

### Standard Price

£195+VAT
