

Acrobat (any version) Workshop

Overview

It is intended for existing users who require specific knowledge from any version of Adobe Acrobat. The user will learn further skills on Acrobat PDF documents. It is recommended that delegates have a little working knowledge of Microsoft Windows.

Generally this course is customised to the users Acrobat version currently used and therefore a minimum of two trainees will be required (not necessarily from the same company). Please phone for one-to-one training if preferred.

All training held at TutorCAD Offices are inclusive of comprehensive course manual, a variety of refreshments, buffet lunch and certificate.
