

## Foundation Autosketch 10

### Overview

This course is designed for new users of Autosketch 10 and no previous CAD experience is necessary. However, any drafting, design, engineering or architectural experience would be an advantage. It is recommended that delegates have a little working knowledge of Microsoft Windows.

All training held at TutorCAD Offices are inclusive of comprehensive course manual, a variety of refreshments, buffet lunch and certificate.

### Duration

2-days

### Standard Price

£395+VAT

### Availability

Tel: 0161 904 8753

### Objectives

You will learn the features, commands, and techniques for drawing to scale, creating, editing, dimensioning, annotating and printing accurate Autosketch drawings efficiently using hands-on exercises. Trainees will be able to also re-use content and extract information.
